## **President's Welcome**

I welcome everyone to the 2018 year of golf and look forward to continued engagement with you all.

Our club welcomes members and visitors to enjoy the facilities for graded competitions, social play or corporate days. Whilst there is a healthy competitive culture within the club, our atmosphere is relaxed and congenial with relationships built on co-operation and mutual respect. Volunteers and sponsors are integral to club operations.

Sponsors provide prizes for special events, and funds to enhance the club facilities. We thank all our sponsors for their support and our Board strongly encourages members to use the services of these sponsors.

Our small pool of staff do a great job to present the course and to make members and visitors feel welcome. Your ongoing support for them is appreciated.

Organisation of the various club activities takes a lot of effort and I thank my Committees for taking on these responsibilities. Please support, encourage and provide feedback to them.

Our clubhouse may be booked for social functions by members and the general public. Please promote the club as a venue for golf social days and/or functions. Our Club Manager, John Hair, is happy to assist with bookings.

To all of our competitive golfers who represent the club so proudly – good luck for 2018.

Happy golfing to all

A handwritten signature in black ink, appearing to read 'Neil Murray', is positioned at the bottom of the page.

# GENERAL INFORMATION

## Rules Specific to Course Location

The RMC Golf Club (RMCGC) is a public golf course operating on Commonwealth land within a military base. Users of the course need to be familiar with and respect the following requirements that are specific to the location of the Club:

- Pedestrians have right of way on the course
  - Smoking is not permitted within 4m of an entrance to a building or in an area where food and drink is consumed. Tables are provided in the designated smoking area.
- Base Security and Access procedures apply and require that:
- Members display membership tags at all time
  - Everyone is aware of the emergency siren and evacuation procedures

## Emergency Procedures

There is a base wide emergency system that will be activated when there is suspicion that a serious security incident is occurring. In the unlikely event of a serious emergency, members and visitors are urged to follow the correct procedures to preserve their own safety and that of Defence personnel managing the incident.

### *The Alarm System*

Alarms are broadcast from a number of speakers located around the base. There are two instances when you will hear the alarm.

1. When it is being tested – this happens on a regular basis.
2. In the event of a security incident.

When the system is being tested any alarms and verbal directions will be preceded by the phrase

***‘This is a test of the Base Wide Alert System’.***

During a test of the system you are not required to take any action.

## ***Emergency System Sounds***

The alarm includes a range of tones and a 'keyword'. The keywords are:

- Alert – if in immediate danger move away, if not remain calm and wait for next instruction;
- Lockdown – if safe to do so, seek shelter or cover, minimize noise or any actions that might draw attention to your location;
- Evacuate – move out of the building to the designated evacuation point;
- Disperse – immediately and rapidly move away from any mass gathering and seek shelter wherever possible
- Stand Down – security incident is over and so it is safe to return to clubhouse

### ***What to Do***

When you hear an alarm remain calm and take the time to think about options and then act decisively.

Do not return to your car and attempt to leave the base.

### ***On the Course***

Respond to **Lockdown** and **Disperse** alarms by taking cover and remaining quiet.

### ***In the Clubhouse***

Respond to **Alert**, **Lockdown** and **Disperse** alarms by shutting the blinds, locking the doors, turning off the lights, hiding and keeping quiet.

Respond to the **Evacuate** alarm by leaving the clubhouse and moving to the designated evacuation point. A staff member or member of the management committee will indicate the evacuation point to you.

## **Dress and Footwear**

Members and visitors are to be neat and tidy at all times and wear appropriate golf attire on the course and clothing suitable for the social setting in the clubhouse.

Hats or caps may be worn in the Club House whilst members and visitors are preparing to play a round of golf, taking a short break mid round or entering scores at the end of the round.

Please remove hats and caps following the round when enjoying Clubhouse hospitality.

## **Website**

The Club's website, [rmcgc.com.au](http://rmcgc.com.au), is available for all members to access:

- Bookings
- Competition results
- Golf program
- Individual account Prize Balance
- Handicap
- Course availability
- Important notices
- Club policies.

The Club Manager can assist members to access the Member's pages.

## **Insurance**

RMCGC holds a public risk insurance policies that cover personal and property damage where RMCGC could be held liable as well as coverage for damage to the golf carts.

Members and Visitors are to notify the Club Manager and complete an Incident Report as soon as possible following any event that may lead to a claim against these policies. This includes if your ball hits another person, goes onto a road, personal injury following a fall or there is damage to a cart.

## **Player Safety**

Competitions will be conducted in a safe manner and apply Golf Australia's policies and guidelines. Members are encouraged to complete rounds and to not leave partners stranded during a competition. Individuals are responsible for their own safety and must act accordingly.

### ***Sound Signals***

A siren sounded from the clubhouse will be used to suspend play. The signals are:

- Discontinue Play for Dangerous Situation (ie immediate suspension): One prolonged note
- Discontinue Play for Non-Dangerous Situation: Three consecutive notes, repeated
- Resume Play: Two short notes, repeated

### ***Heat***

Heat affects people differently and depending on temperature, humidity and personal tolerances. Members are urged to be mindful of forecast temperature, play in the cooler parts of the day if possible, and dress and hydrate to suit the conditions. See Golf Australia's Hot Weather Guidelines on their website at [golf.org.au](http://golf.org.au).

In extreme weather conditions the Match Committees may change the program or start times of events.

### ***Lightning***

The Committee will make every effort to suspend play in time to give players a chance to seek shelter and/or return to the clubhouse. A player is also permitted to discontinue play when he/she believes there is a danger from lightning.

### ***Call Up on Par 3 Holes***

At RMCGC, the approach is that players do not call up on par 3 holes and nor do players tee off 2/11 holes whilst players are on either green. An exception is that in special circumstances players may call up on the 7th hole to speed up play but they must be standing behind the green when doing so.

## ***Water Hazard 7<sup>th</sup> Hole***

The water hazard that crosses the 7<sup>th</sup> fairway contains rocks that are obscured by the plant life. In order to avoid injury, players are urged to stay out of this hazard and retrieve visible balls using a ball retriever only. Rule 26.1 provides for a lost ball to be treated as in the hazard if there is a reasonable certainty of that occurrence.

## **Care of the Course**

The course is the most valuable club asset and the Course Superintendent has primary responsibility for the maintenance and presentation of it. All Members share this responsibility for course maintenance and can assist in the following ways:

- Keep carts and buggies well clear of the greens, tee mounds and the area between green and bunkers
- Avoid taking carts and buggies through wet areas wherever possible
- Repair pitch marks and divots regardless of who caused the damage.

## **Equipment Hire**

The Club hires out motorised carts, buggies and golf clubs. Carts may be booked through the bar or Club Manager. Buggies and clubs are available without booking. Hire charges can be found on the RMCGC website.

## **Social Use**

The course is normally available for social play on days when there are no competitions and on competition days after the competition is completed. However, the club is used for corporate days, promotional events or District events that take precedence over social play. Times for social play will be posted on the Club website and Club noticeboard. Alternatively, contact the Club Manager to confirm course availability.

Visitors must pay a green fee and notify staff that they are on the course. A receipt book and moneybox are located outside the clubhouse for afterhours registration.

SLAVEN MAZDZ ADVERT

## **Juniors**

The RMCGC's policy is to positively encourage and promote all aspects of junior golf. Juniors are encouraged to participate in all Club competitions, Championships and Open events.

Juniors participating in competitions should be partnered with an adult member who can provide them with golfing leadership and mentoring on the rules and etiquette of competition play.

## **Veteran Classification**

The age for Veteran classification is 50. Some competitions have Veteran prizes.

Women need to pay a fee to join the Veteran Women's Association to qualify as a Veteran for special events. There are designated State based competitions run in conjunction with the normal women's competitions and do not require an additional entry fee. The Veteran's representative on the Match Committee can assist with further information

The Men's Match Committee runs internal veteran competitions in conjunction with Monthly Medal and entry requires an additional competition fee.

Separately, the ACT Veteran's Association runs district medley competitions on Mondays and have defined a veteran as 55 years and over. See the [actvetgolf.org](http://actvetgolf.org) for further information.

## **Reciprocal Clubs**

Reciprocal Rights have been arranged between RMCGC and the following clubs:

Orchard Hills Golf Club	Orchard Hills, NSW
HMAS Cerberus Golf Club	Western Port, Vic
Lavarack Barracks Golf Club	Townsville, Qld
RAAF Darwin Golf Club	Darwin, NT
Merewether Golf Club	Adamstown, NSW

Members should contact the reciprocal Club to clarify reciprocal arrangements and to book a game.

# **COURSE USAGE GUIDELINES**

## **Right of Way on Course**

Ground Staff and pedestrians have right of way at all times.

## **Rules**

The Rules of Golf, including golf etiquette, are available from The Club Manager or Members of the Match Committee. Rules and educational resources are also at the website: [golf.org.au](http://golf.org.au) then Rules and Handicapping.

Local Rules are displayed on the scorecards and on the notice board positioned outside the clubhouse.

## **Etiquette**

All players are expected to abide by the rules and etiquette of golf. The lowest handicapper in a group takes the lead but all members of the group have a shared responsibility to play in the correct spirit of the game. In particular, players are asked to ensure that members of the playing group:

- Maintain a good pace of play.
- Show consideration and respect for other players in the field in regard to talking, hitting up on those ahead and order of play.
- Maintain the course by replacing and filling divots, repairing pitch marks and raking the bunkers after use. Please ensure, that after use, the rake is left in the bottom of the bunker with the handle facing toward the tee.
- Repair any damage to green eg footwear marks or damage to the hole rim after players have holed out.
- Dispose of all rubbish and litter appropriately. Please note that bottle tops and other hard objects damage course equipment. Cigarette butts should be disposed of properly.
- Turn mobile phones to silent and only use the telephone function in an emergency
- Carry sand buckets at all times when playing the course and repair any damage observed

## ***Pace of Play***

A good pace of play contributes to the enjoyment of the game for all. The following individual behaviours help to achieve this:

- Keep up with the group in front
- Know when you have the honour and proceed directly to the tee mound and tee off before marking your card
- Be prepared to play “ready golf” if necessary and out of turn if required
- Play a provisional ball if unsure as to where your ball may have come to rest
- Rake a bunker for your partner if it will help them move more quickly to the putting green
- The first two players to putt out should move to the next tee to make up time if necessary
- Call the next group through if searching for a lost ball and limit search time to 3 minutes
- At the green, leave buggies towards location of next hole
- Mark cards at the next tee

## **CLUB COMPETITIONS**

### **Management of Competitions**

The Match Committees control all club competitions. The relevant Committee may alter the golf program as required and will notify members through a combination of MiClub Noticeboard, announcements and notices in the club house.

MiClub is the golf management system used by RMC GC. The system is linked to the central handicapping authority run by Golf Australia and applies the rules of Golf Australia to competition results (eg countback) and handicapping.

Each Member has a MiClub account which can be used to access Golf Bookings, Handicaps, Members Directory, Competition Results, and personal Prize Accounts. MiClub can be used on the computer in the Clubhouse or via the Internet at: <http://rmcgc.miclub.com.au>. Contact the Club Manager for assistance with your Account.

## Competitions

The Club holds a variety of regular club competitions and aims to meet the needs of golfers of all levels. These competitions are open to members and visitors who hold a current Golf Australia (GA) handicap. The Medley competitions provide the opportunity for our male and female members to play in the same competition, and the nine hole competitions provide a more relaxed atmosphere and are a good entry point to competitive golf. Regular competitions are as follows:

	<b>Men</b>	<b>Women</b>	<b>Medley</b>
<b>Tuesday</b>		18 Hole 9 Hole	
<b>Wednesday</b>	18 Hole		
<b>Saturday</b>	18 Hole	18 Hole	9 Hole
<b>Sunday</b>			18 Hole

Visitors may win the daily prize or ball rundown but are not entitled to win Monthly Medals, Championships, event perpetual trophies, and may not represent the Club. Periodically the Club will run events with Conditions of Play that may limit participation, but these conditions will be notified in advance and communicated to members.

Members pay a Competition Fee to enter a competition. Visitors pay both Green Fee and Competition Fee to join a competition.

## Social Competition

During Daylight Savings the Club runs a Medley 9 Hole Social Competition every Friday - no GA handicap required. Walk up start from 3pm.

## Complementary Competitions

The respective Match Committees run Complementary Competitions in conjunction with the normal competition calendar. These Complementary Competitions require an additional fee to enter and may include Golden Shot/Tinnie Shot, Eclectic, Putting, Birdies and Chip-Ins, Veterans or other events as decided by the Match Committee. Members should seek advice on entry procedures from the Starter or Members of the Match Committee.

## **Bookings**

Members book competition timeslots for themselves and playing partners directly into MiClub up to four weeks in advance. Alternatively, contact the Club Manager to make bookings. Payment for normal competitions is made on the day. Special competitions may require prepayment especially where catering is involved.

## **Starter**

The Starter acts for, and is responsible to, the Captain and the Match Committee for the control of the course during all competitions. Members need to support the Starter in the following ways:

- Cancel bookings if necessary ASAP by using MiClub up until midnight on the day before a competition or by calling the Club as early as possible on the day of competition.
- Check in with the Starter at least 20 minutes before scheduled tee time.
- Be flexible by understanding that bookings may need to be varied at short notice to accommodate variations in the field and to optimise the balance of competition and social play.

## **Score Cards and Score Entry**

The player's Daily Handicap will be printed on the scorecard. However, players must ensure that handicap is entered correctly. Notify the Starter before play if there is an error.

Markers are responsible for recording scores correctly at each hole. Players are responsible for ensuring the card is signed by themselves and the marker.

Scores must be entered into the MiClub system immediately following completion of the round. Players are responsible for ensuring that the scores in MiClub and the scorecard are identical.

## **Prizes**

The number of competitors in a competition determines the number of grades. The grade splits will vary between competitions to equalise grade fields.

Competition prizes will generally be a combination of vouchers and balls. All prizes, including the Complementary Competition prizes, will be posted to the member's MiClub account. Members may use the credits in MiClub as follows:

- To pay for cart hire when the bar is open. Members who tee off early need to pay prior to competition day either in person or over the phone.
- To pay for special event entry fees.
- To purchase items from the bar in excess of \$10.
- To obtain a voucher to be used at a designated business.
- To redeem balls from the bar or the balls may be converted to the dollar value (\$2) and added to the account.

## **Results**

Winners are determined by applying the appropriate score as determined by the Rules of Golf. Count-backs will be used for all events except where notified in the Conditions of Play. The countback procedure is:

- For 9 hole events, the best score for last:
  - 6 holes
  - 3 holes
  - hole by hole starting from 9<sup>th</sup>
- For 18 holes events, best score for last:
  - 9 holes
  - 6 holes
  - 3 holes
  - hole by hole starting from 18<sup>th</sup>
- For 27 hole events or more, best score for last:
  - 18 holes
  - then as for 18 hole event

N.B. The last 9 holes means holes 10 to 18 irrespective of where players commence matches.

Results can be accessed on MiClub following closure of the competition and will usually be published in the Canberra Times Sports Results section.

## **Exceptional Circumstances**

A Match Committee may abort a competition when exceptional circumstances arise. In such circumstances,

- Competition Fees that have been paid will not be refunded

- Contributions to the Golden Shot, Tinnie Shot, Veterans Competition will jackpot to the same day in the following week. Eligibility for the prize will be limited to those who contribute on the day the competition is completed, and results will be judged using that day's results only.

## **HANDICAPPING**

Golf handicaps are administered by Golf Australia. Members who identify RMC GC as the primary/home club automatically gain a Golflink Identifier composed of 10 digits as follows:

- 20619 - RMC Club identifier, plus
- club membership number expressed as five digits eg 00999

Members use this number to access personal handicap history at [golf.org.au](http://golf.org.au).

Explanation of the handicapping system, calculation of handicaps and definition of terms is at [golf.org.au](http://golf.org.au).

Where players are unable to complete a round for any reason, a signed scorecard must be returned and is to include the reason for withdrawal. A member of the Match Committee will make a decision on whether to record the score as No Score – Approved or No Score – Unapproved. Please note that five No Score – Unapproved rounds within the last twenty rounds will render a player ineligible for competition prizes.

### **Quick Guide to Terms**

GA Handicap – relative golfing ability of a player on a course of neutral rating. It is a factor in determining Daily Handicap.

Daily Handicap – number of handicap strokes for a player for course being played.

Slope Rating – relative playing difficulty of course for players that are not scratch players. RMC GC

- Women - 125
- Men - 117

Scratch Rating – evaluation of normal playing difficulty of course for a player with a handicap of zero. RMC GC

- Women - 73
- Men - 68

# TYPES OF COMPETITIONS

## Stroke

Stroke play counts the total number of strokes taken on each hole during a given round. The player must complete each hole and count every stroke.

Following completion of the round, the score for each hole is totalled.

Stroke play can be played as:

- Gross event – where no handicap is applied to generate the final score
- Nett event – where the player's Daily Handicap is deducted from the number of strokes to give a final score.

## Stableford

Stableford uses a handicap adjusted score at each hole to generate a points based scoring system. Depending on the player's handicap and the difficulty of the hole, a certain number of strokes are allocated to each hole to determine Par on that hole for that player. The aim is to achieve highest number of stableford points. Once it is no longer possible to score a point, players do not complete the hole but must simply pick up their [ball](#) and proceed to the next hole.

Scoring is:

Par	2 points	Eagle	4 points
Birdie	3 points	Bogey	1 point

Example: Golfer off 22 Handicap

If a golfer plays off a 22 handicap then they will receive 22 shots during the course of the round - 1 on each of the 18 holes and 2 strokes on those holes which are rated in difficulty of 1, 2, 3 and 4.

In this case a par 4 hole which is rated number 3 in difficulty will ensure the golfer receives 2 shots on the hole thus making the hole a Par 6. So if this golfer then scores a 5 on the hole this equates to a net birdie thus scoring the person 3 points (refer above table)

Example: Golfer off 14 Handicap

If a golfer plays off a 14 handicap then they will receive 14 shots during the course of the round - 1 on each of the 14 hardest holes. No strokes will be received on the holes rated 15, 16, 17 and 18 in difficulty.

In this case a par 4 hole which is rated number 11 in difficulty will ensure the golfer receives 1 shot thus making the hole effectively a par 5. So if this golfer then scores a 5 on the hole this equates to a net par thus scoring the person 2 points (refer above table).

## **Par**

Par uses handicap adjusted score at each hole to generate a score of plus, square/zero or minus (+, square or -) based on the results of each hole (as per Stableford) For example if a player gets one shot on a hole:

- Birdie = Plus (+)
- Par = Plus (+)
- Bogey = Square
- Double Bogey = Minus (-)

As for Stableford, once a player has a minus, the ball should be picked up. On completion, the number of plus and minus scores are added together. The aim is to achieve the highest score.

## **Bisque Par**

Played as a normal Par competition where handicap strokes may be taken at the discretion of the player. As many handicap strokes as desired, up to the total available handicap points, may be taken on any hole provided the player indicates to the marker before hitting off the next tee.

## **Four Ball Better Ball Competitions (4BBB)**

Two players play as partners each playing their own ball as in a single competition. Only the best score on each hole is to be recorded. If both players score the same on a hole, the score of the player who first holed out will be recorded. Care must be taken to mark the scores of each player in separate columns headed by the initials of the player so that scores can be verified. Handicap is as per normal Daily Handicap for each player.

## **Ambrose**

An Ambrose can be played as a 2, 3 or 4 ball. All players hit off from the tee and then select the ball in the best position. The other team members then drop their ball within one club length of the selected ball (no nearer the hole). They hit their next stroke from this position, no matter where their previous stroke finished. A similar selection is made after the next shot and play continues in this way until the ball is holed out. All drops are to result in

the ball being played from the same condition as the selected shot, ie if the selected ball is in the rough then all players must play from the rough. When on the green, players must place their ball within one card-length of the selected ball, no nearer the hole. Players can play in any order at all times.

Handicaps for Ambrose competitions are:

Four players -  $1/8$  of the total daily handicaps

Three players -  $1/6$  of the total daily handicaps

Two players -  $1/4$  of the total daily handicaps

## **Stabrose**

Team event played as an Ambrose event where Stableford scoring is applied. The course holes are matched with a team member so that player's handicap is applied to generate the team's Stableford score. For example, in a three person team:

- Holes 1-6 – Lowest marker's handicap
- Holes 7-12 – Use middle marker's handicap
- Holes 13- 18 – use highest marker's handicap

## **Foursomes**

Two players partner in a stroke event and use only one ball. The partners hit-off alternately from the tee and, thereafter, hit the ball alternately during the play at each hole. Scoring is done as for a stroke round. The team's handicap is equal to one half of their combined daily handicaps.

## **Canadian Foursomes**

Played as for foursomes except that both players play tee shots at every hole and then select the best ball and continue with the nominated ball. The ball selected is played by the player's partner. Handicap is  $3/8$  of the player's total daily handicaps.

## **American Foursomes**

Both players play tee shots at each hole then play a second stroke with their partner's ball. The best ball is selected and play proceeds as in foursomes with the owner of the ball selected playing the third stroke. Handicap is  $3/8$  of the player's total handicaps.

## Match play

In “Handicap Match Play” the stroke handicap of the player is reduced by the handicap of the lowest marker who then plays off scratch. Handicaps are applied to the Match Index on the score card in the same manner normal handicaps are applied to the stroke index.

**Example:** In a Match Play competition Player A’s handicap is 8 and his opponent, player B is off 14. Player A plays off scratch and Player B gets strokes on Match Indexed holes 1- 6 inclusive on the scorecard.

Where there is more than 18 strokes difference between handicaps, players receive 2 strokes per hole where applicable.

N.B Match Play cannot be played concurrently with a Stroke game. (Rule 33.1)

## DISTRICT STATE AND NATIONAL EVENTS AND INFORMATION

# **MEN'S ANNUAL EVENTS**

## ***Monthly Medals***

A Medal is awarded to the overall Nett Winner for each grade of the Stroke competitions played on:

- 1<sup>st</sup> Sunday of the month, and
- 2<sup>nd</sup> Wednesday of the month.

## ***Medal of Medals***

Medal winners (Dec - Nov), the Club Champion and the previous year's Life Member's Trophy Winner play off in the Sunday December Stroke competition for the Medal of Medals and the Life Members Trophy.

The Wednesday Monthly Medal Winners compete in the Stroke competition round on 2<sup>nd</sup> Wednesday in December (12 December) for the Medal of Medals.

## ***Eclectic Competition***

The Eclectic is a Complementary competition played in conjunction with the 12 Monthly Medals (Jan to Dec). Open to all Members who nominate and pay an entry fee.

An Eclectic is a multi-round golf tournament where the lowest score achieved on each hole over the 12 rounds is used to generate a score. Scores can be tracked through the year on MiClub.

## ***Frank Rundle Memorial Match Play Championship***

A knockout competition open for all Members who nominate. It is played over the period March to June each year.

## ***Fairbairn Challenge***

An annual competition between RMCGC and Fairbairn GC where a team from each club compete for the Challenge Trophy. This years Challenge will be held on:

- Saturday 24 March at Fairbairn GC
- Sunday 22 April at RMCGC

## ***Men's Foursomes Championship***

Sunday 13 May

## ***Captain v President***

Sunday June 17. Players are notionally divided into two teams on the day.

### ***Eastlake Challenge***

Sunday 22 July. An annual competition between RMCGC and Eastlake Golfers where a team from each club compete for the Challenge Trophy.

### ***Club Championships***

October 20, 21, 27 & 28. Stroke event played over 72 Holes.

### ***RMCGC Open Championship***

18 November. RMCGC's prestigious Trophy played over 18 Holes. Open Days held at other clubs in the District are promoted on the men's noticeboard.

## **ACT Monaro District Golf Association (DGA) Events**

RMCGC is a member of the men's DGA that runs a detailed program of events throughout the year open to members of RMCGC. Details of DGA events are available from their website [actgolf.com.au](http://actgolf.com.au).

The DGA:

- co-ordinates each club's annual Open event
- produces an "Order of Merit" award for the best performed golfer at the Open events.
- organises the annual pennant program.

RMCGC enters 2 teams in Pennant:

- Handicap Pennants - competing for the Edwards Dunlop Shield, played on Sundays and open to golfers with a handicap of 20 or less. It consists of teams of 6 players, who compete using their current daily handicap for each round. In 2017 it was won by GC for the first time in the 59 year history of the competition.
- Senior Masters Handicap Pennants - played on Thursdays, and open to golfers over the age of 50 with a handicap of 27 or less. It also consists of teams of 6 players using current daily handicaps.

The 2018 draw for RMCGC's two pennant teams can be found in the following section of this handbook.

## **MIXED ANNUAL EVENTS**

### ***Mixed Canadian Foursomes Championship***

Saturday 28 April.

### ***Charity Day***

Saturday 23 June. A mixed 4 BBB competition. Players are asked to wear something white, and money collected is donated to a deserving charity.

### ***Mixed Foursome Championships***

Saturday 15 September

### ***Melbourne Cup Medley Stableford***

Tuesday 6 November. Stableford golf followed by lunch and sweeps.

### ***Mixed Christmas Competition***

Saturday 8 December. A fun way to finish the golfing year.

## **WOMEN'S ANNUAL EVENTS**

### **RMCGC Major Women's Competitions**

#### ***Monthly Medals***

8 stroke rounds played on Tuesday and Saturday each month.

All Medal winners are eligible to compete for the Medal of Medals.

#### ***Jean Easter Memorial Trophy***

Nominated Tuesday or Saturday - 6 stableford rounds played on Tuesday and Saturday. Aggregate of 3 best cards determines the winner.

#### ***Member's Trophy***

Nominated Tuesday or Saturday - Last two monthly medal rounds. Best combined Nett total.

#### ***Championship Dates***

##### **9 Holes**

Tues 1 & 8 May – Foursomes Championships

Tues 9, 16, & 23 October – Stableford Club Championships

## **Country Championship**

Medal round            Tuesday – Gross & Nett in 3 Divisions.  
Saturday - Gross & Nett in 1 Division.

## **CSGA Calendar Events**

### **Bronze Shield**

Week day Pennants team of five players with handicap range of 16-32. See draw attached.

### **Emily Hurt Shield Draw**

Week day pennants team of five players with handicap range 26-45. See draw attached.

### **9 Hole Challenge**

Week day Stableford Team Event played over four weeks during June – July (Dates to be confirmed).

### **Open Days and other Events**

Individual clubs run Open Days and CSGA run events that are open to individuals or teams to enter.

A calendar of these events is attached is also available at [csga.asn.au](http://csga.asn.au).
